

## **HOW TO GET YOUR N.I.E NUMBER IN SPAIN**

Apply for an appointment in the first instance and then complete the application form along with other documents that you will be requested to bring to your appointment.

At this moment the backlog of appointments can be long due to the Brexit process.

Go to <https://sede.administracionespublicas.gob.es/icpplus/index.html> to make your appointment for the area you are currently living.
